Deafness Cannot be Cured
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure Deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

BOARD OF TRADE.

Ladies' Meeting at the Y. M. C. A. Parlors Yesterday.

LIST OF MEMBERS OF BOARD.

LADIES' LEAGUE.

Maysville, so it seems, has been calmly sleeping for several years past, while many of her neighboring cities, not favored in half so many respects with facilities for keeping in touch with the outside world, have gotten far ahead of her in the march of progress.

But at last, awakened from her long lethargy, she will once more become alive to the world if will and energy on the part of public-spirited men and women will avail anything.

A few weeks ago a meeting was called for the men, the object of which was to organize a Board of Trade.

Several meetings have since been called, more interest manifested, until now the Board has over one hundred members.

Enthusied by the success of this, the idea of a Ladies' League was taken up, and a number of them responded to the call for a gathering in the Parlors of the Y. M. C. A. yesterday afternoon.

President Duley of the Board of Trade presided at the opening, and upon the selection of a temporary Chairman and Secretary Mrs. Basil Duke and Miss Bessie Coons were named.

Mr. Duley then spoke of the object of having a Ladies' League, showing in what ways their co-operation might result in the betterment of the community, and of the necessity of having their help along certain lines of work.

On literary lines he called attention to the needs of our city, and on closing his remarks the condition of the Public Library was taken up by those present.

Instead of answering the purpose for which it was intended, the place is not used and the books are left untouched because of the uninviting appearance of the interior of the building.

It seems, and indeed is so, useless for a few interested parties to give their time in cleaning up the place, and then in a few weeks it is found as bad as its original state.

In order that the institution may prove a benefit to the city some means must be taken to keep the Library in a more orderly condition than it now presents.

How the ladies may assist in having a prosperous city was discussed, and it was moved that an action be taken making the organization permanent.

The following officers were elected:

President—Mrs. William Wormald.
Vice-President—Mrs. A. E. Cole.
Secretary—Miss Bessie Coons.
Treasurer—Miss Sallie Wood.

It was decided to hold the next meeting of the League Friday afternoon, March 24th, at 3:30 o'clock in the Y. M. C. A. Parlors.

Below will be found a complete roster of the membership of the Board of Trade to date.

It should be borne in mind that no membership fee will be exacted from those who enroll themselves before April 1st.

After that date an initiation fee of \$5 will be charged.

Your Boy or Girl

Will be better for having a watch. There will be fewer tardy marks and fewer broken appointments. They will learn the value of time, that life is made up of time, just moments of time, and those moments put to good use make life a success or failure. Teach them to be at school on time, to meet the train on time, in fact, do everything on time and thereby shorten the cares of life. We have Watches to suit all sizes and conditions, for boys, girls, ladies and men, from \$1 up. Come in and look at them.

The World's Best!

Does Not Come
to us Unsought.

We hunt after it, and only makers of the highest grade of Clothing and Shoes receive our orders. If you have once worn a Suit or Overcoat from our store, "you know." If you have not, try us this spring.

The youngsters are commonly the first in the family that require a new season's outfit. We claim distinctive merits for our line of

Children's and Boys' Clothing!

You will find prices so modest that it may lead to doubting quality; but we guarantee both. Our Vest Suits, ranging from \$1.25 to \$3.75, are simply elegant. Our Double Breasted Jacket and Pants Suits, from ages 8 to 15, ranging in price from \$1.50 to \$4.75, we believe to be the best ever shown for the price. You will favor yourself and us too by comparing them with those of other houses.

The Proper Thing in Gents' Clothing!

The proper things for this spring's good dressers are lightest colored checks and modest plaids; but serge—mostly in dark blue and black—will contend for supremacy, and justly, too. Our Serge Suits—and we have them in all styles—will be found distinctively a gentleman's suit of clothes.

Spring Topcoats.

Knowing that there will be a great demand for Spring Topcoats, we secured a magnificent line of them. We cannot describe them on paper. Come in and look at them.

Our Men's and Boys' Shoes!

Just look in our shoe window; it tells the tale.

Turnpike Notice.

The stockholders of the Maysville and Mt. Sterling Turnpike Company will meet at the State National Bank on Monday, April 24, 1899, at 10:30 a. m., for the purpose of electing officers and Directors for the ensuing year.

Carpetings FOR SPRING

We have the exclusive control here of a large manufacturer's output, embracing fully one hundred different patterns in Tapestries, Brussels, Moquettes, Velvets and Ingrains. After long and careful consideration we have adopted this method of Carpet selling for two reasons. First, we can give you a selection in point of quantity, quality and artistic designing the Cincinnati markets cannot rival, an impossibility under other conditions, as we have not the room to carry such an enormous stock as our selection line represents. Secondly, we can sell cheaper, much cheaper, than under the old method, as the factory carries our stock for us, and we need keep no reckoning of profit-clipping, remnants and unpopular patterns. Entering upon this different arrangement in our Carpet business there are three points in which we determine to excel:

PRIVATE PATTERNS, HIGH-GRADE GOODS AT LOW PRICES CARPET MAKING.

Think over what this means. First, you need not cover your floor with hackneyed patterns. On the contrary exclusive and fresh designs are at your disposal. Second, you need pay no more for the best than poorer grades cost elsewhere. Third, when the carpet making is entrusted to us we will have all carpets machine-stitched; bordered carpets will be faultlessly mitered and sized. No ripped seams, no puckered corners, the cost no more. We solicit your patronage on this basis. Orders can be filled within twenty-four hours. Come in and look over our line.
